Subject: Letter of Recommendation for Al Basira Glass & Aluminum Contracting Company

To Whom It May Concern,

I am writing this letter to highly recommend **Al Basira Glass & Aluminum Contracting Company** for their exceptional services as an aluminum subcontractor in our recent project Construction of Administration Building + Labor Accommodation at RAK / Project Value : 02 million dhirams. Throughout our collaboration on previous project, they have consistently demonstrated a level of professionalism, expertise, and commitment that has exceeded our expectations.

Al Basira Glass & Aluminum Contracting Company played a vital role in the successful completion of the project by providing top-quality aluminum fabrication and installation services. Their skilled team of technicians and craftsmen exhibited a profound understanding of aluminum materials and applications, delivering outstanding workmanship with attention to detail.

Based on our experience, I have no hesitation in recommending **M/s Al Basira Glass & Aluminum Contracting Company** for future projects. Their professionalism, reliability, and expertise make them an asset to any construction endeavor.

Sincerely,

Engr. Asad Rasel

HOD – Civil Department

July 2023

To whom it may concern

Dear Sir/Madam

LETTER OF RECOMMENDATION

We, DNA Contracting LLC, a part of the DNA Group have been in the business of Real Estate Development in Dubai and UK since the last 5 years with expertise ranging in all areas of construction, value engineering, special engineering, management and sales. We have been working with Al Basira Group for the supply & installation of all sorts of Aluminum & Glass related products.

It is our pleasure to recommend Al Basira Group for all sorts of Aluminum and Glass related solutions. Al Basira Group works with dedication to finish the predetermined undertaking's assignments inside the booked time and to our customer fulfillment, and readily available during the defect liability period for any sort of required maintenance services.

We wish them further success in their future business and might want to have such associations with them again on our future up-coming undertakings. We would unequivocally recommend them for any worldwide organization searching for acceptable contractors.

This letter has been issued with no obligations or responsibilities to our group companies or its management individually.

For and on behalf of,
DNA Contracting LLC

About Us

Aluminium And Glass Company Dubai Al Basira

We are an independently owned and operated glass company in UAE that works together as a team to deliver high-quality glass, aluminum and UPVC doors & windows. By applying new ideas and latest technologies, we aim to make useful and aesthetically pleasing products for your living spaces.

With our services, we can fit into all kinds of requirements whether it is a workplace, home or even a garden. Aluminium And Glass Company Dubai. From delivering office glass rooms to providing UPVC windows, we take care of it all.

Mission & Vision

Our Mission:

At Albasira Aluminum Glass Company, our mission is the driving force behind everything we do. We're on a journey to redefine the built environment with innovative, high-quality solutions that exceed our clients' expectations and leave a lasting impact on the world around us.

We're passionate about delivering exceptional aluminum and glass solutions that transform spaces, enhance lives, and inspire communities. Our team is dedicated to precision, sustainability, and customer satisfaction, ensuring that every project is a testament to our commitment to excellence.

We strive to be the trusted partner of choice for clients seeking bespoke solutions that blend style, functionality, and durability. Through continuous innovation, collaboration, and a relentless pursuit of excellence, we aim to shape the future of the industry and set new standards for quality and performance.

Our Vision:

In the heart of Sharjah, where tradition meets innovation, Vision Albasira has been a beacon of excellence in the aluminum and glass industry for 15 years. Founded with a passion for precision and a commitment to quality, the company has built a reputation as a trusted partner for clients seeking bespoke solutions.

From sleek glass facades that shimmer in the desert sun to sturdy aluminum frames that provide a perfect blend of style and functionality, Vision Albasira's team of experts has worked tirelessly to deliver projects that exceed expectations. Their portfolio boasts iconic buildings, luxurious villas, and state-of-the-art commercial spaces, all showcasing the perfect blend of modern design and durability.

Services

At Albasira Aluminum Glass Company, we provide high-quality aluminum and glass solutions designed to meet both residential and commercial needs. Our services include custom aluminum fabrication, glass installation, doors and windows, curtain walls, and modern architectural systems. With a strong focus on precision, durability, and clean design, we deliver reliable workmanship and tailored solutions that enhance both functionality and aesthetics.

Glass Partition

High Res Building

Glass Partition

Enhance Your Workplace & Home With High-quality Glass Partition Dubai

We offer both framed and frameless varieties of office glass partitions, doors, and rooms for your workplace. Our contemporary designs for offices ensure privacy while maintaining visual transparency at the same time. These will give an organized structure and feel for the interior spaces in your office. After all, glass is preferred because of the better visual appearance and the effective volume control that it brings with it.

Glass Partitions Dubai Make a Bold Statement

Having glass partitions means giving a unique look to your office or home. Apart from being perfectly soundproof; they open up space and let in light. At Al Basira, we provide custom-made glass rooms for customers across the UAE. After taking your order, we measure your area, discuss different options, and then create glass designs that fit your budget and specific needs. Our glass partition walls are perfect as Workplace walls and dividers, Mirrored walls, Conference room walls, Privacy walls. Whether you need a simple design or a customized one, we have plenty of options on offer.

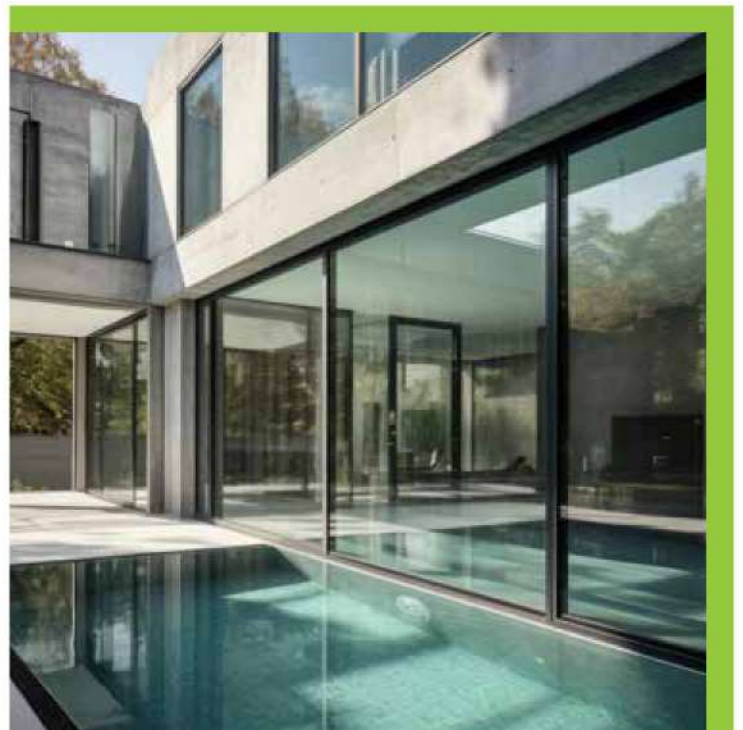

Slim Sliding

Slim Sliding Systems, Modern Design with Seamless Performance

The Slim Sliding system is designed for modern spaces that value openness and light. With its ultra-slim aluminum profiles, it allows maximum glass area, creating a bright and airy environment while maintaining structural strength and durability. The clean, minimalist design blends seamlessly with contemporary architectural styles.

Engineered for smooth and quiet operation, Slim Sliding doors offer effortless movement and long-term reliability. High-quality hardware and precision craftsmanship ensure excellent performance, while the space-saving sliding mechanism makes it ideal for both residential and commercial applications.

In addition to its elegant appearance, the Slim Sliding system delivers strong insulation, security, and weather resistance. It provides wide, unobstructed views and a seamless indoor-outdoor connection, enhancing both comfort and aesthetic value in any modern project.

Aluminium Glass Folding Doors

How We Make a Difference

While there are several manufacturers and service providers for Glass folding doors, only a few can be really trusted. Al Basira is one such name! To know why we're the right choice, take a look at the following points.

Approved Manufacturers: Glass folding doors are our speciality. We are an approved team of experts offering excellent aluminium partition, ACP cladding, structural glazing, and kitchen cabinets.

Competitive Pricing: You can trust Al Basira to get the best price. Unlike other service providers, we do not charge any hidden fees. Just reach out to us with a requirement and we will offer you a reasonable price with the most amazing protection.

Quality Services: We have built a name for ourselves through our professional services. From the moment you get in touch with us to the purchasing, planning, and installation procedure, we will ensure you receive a reliable service!

Locally-Owned: Al Basira is a locally-owned independent aluminium and glass company with years of experience. We have an outstanding track record of quality service and satisfied customers throughout the UAE.

Doors & windows

The Best Aluminium Door and Window with a Beautiful Range of Designs

We are pleased to present a wide range of designs that have been created with modern trends and tastes in mind. Each of these has a lot to offer not only in terms of design but also in terms of function. For instance, our designs in Aluminium Door and Window range from classical, timeless patterns to elegant yet minimalistic designs. But that's not all – these come with fantastic matt, metallic and gloss finishes for you to choose from, yet each finished product that we create contains adequate functionality to make it safe from the harsh elements or other issues like burglary.

So, if you are looking for exceptional quality aluminium and glass doors, windows, shop fronts, Aluminium Door and Window, and more. all you need to do is take a look at our gallery for some fine examples of our products, and if you cannot find a design of your choice, don't worry! At Al-Basira, we appreciate the difficulty that every consumer faces in making decisions.

when it comes to such important aspects of construction, so simply contact our team as per your convenience. and we can discuss your specific needs to provide you with a solution created just for you!

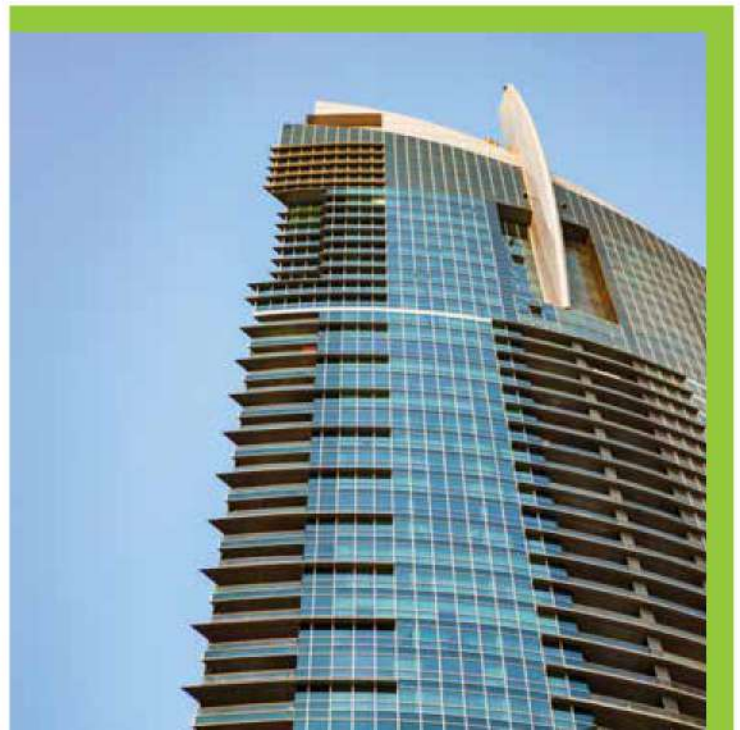

High Res Building

High-Rise Building Solutions, Strength, Precision, and Modern Design

Our high-rise building solutions are engineered to meet the demanding requirements of modern urban architecture. Using high-quality aluminum and glass systems, we deliver strong, reliable structures that combine safety with a clean, contemporary aesthetic. Each solution is designed to perform under challenging conditions while maintaining visual elegance.

From curtain wall systems to custom windows and façades, our high-rise solutions are tailored to enhance both functionality and appearance. Precision fabrication and professional installation ensure long-term durability, excellent insulation, and resistance to wind and weather.

By combining advanced engineering with thoughtful design, our high-rise building systems support expansive views, natural light, and energy efficiency. The result is a refined architectural solution that adds value, performance, and distinction to modern high-rise developments.
